

Invitation to Upcoming Online Webinar

22 May 2023

Dear Depository Receipt Holder,

We would like to invite you to attend our online webinar on Tuesday 6th June 2023 from 18.30 until 19.30 hrs (BST).

As the expected listing of Triodos Bank depository receipts on the MTF-platform approaches, we deem it important to give you an update on what this listing means for you as an investor and for the bank itself, and the actions you can take to learn more about these upcoming changes.

In addition, we will address where Triodos Bank stands based on what we communicated earlier with the publication of the annual results, the information published in the Information Memorandum (3 April 2023) and the information we will share with you during the coming Annual General Meeting of 26 May.

The webinar will feature Triodos Bank's Executive Board members Jeroen Rijpkema and Jacco Minnaar, who will give you an update on these topics. The event will be hosted by moderator Pauline de Wilde.

The webinar will be held in Dutch, with simultaneous translations in English, Spanish, French and German. Additionally, the webinar will be recorded, and made available online soon after the broadcast.

How to submit your questions

If you have questions for Jeroen and Jacco related to the topics we will cover during the webinar, you can fill out the question form that is part of the registration for the webinar.

Of course, you can ask questions during the webinar. We will do our best to answer as many questions as possible. However, based on previous experience, we anticipate not all questions will be answered during the event.

We invite you to have a look at the [frequently asked questions](#) (FAQ) regarding the listing on the MTF-platform on the Triodos Bank website: www.triodos.co.uk/drs
