Please note: Triodos Foundation generally provides small grants, typically £500-£3,000.

If successful, what will the grant support? Please also outline what your funding target is for this project and how much has been raised to date:

How many people will be positively impacted as a result of the grant?

Where is your organisation based (Please note we only support organisations local to Bristol, South Gloucestershire and Somerset)

How long has the project / organisation been running:

Which of the below Triodos Foundation Objectives does your charity align with:

The promotion of a society that protects and promotes quality of life and human dignity for all.

The promotion of long term positive change.

Enabling people who are excluded to live more fulfilling lives.

The identification of and support for previously overlooked needs of children and young people.

Contributes to a shift in the way the public or voluntary sector supports the local community.

To inspire people to get involved in nature and environmental protection.

Enables society to reconnect and engage with nature in urban areas.

Please provide your website address (if applicable):
